

HP Mobile Fax Error Codes Troubleshooting

Mobile Fax Error Code	Message on UI	Trouble Shooting
SFAPI_CE_001	We are currently experiencing connection issues. Please try again in a few minutes.	The fax line you tried to call did not answer. Mobile Fax attempted to send the fax three times over the past few minutes without success. Please make sure the number is correct and the recipient is ready to receive a fax call.
SFAPI_CE_002	We are currently experiencing connection issues. Please try again in a few minutes.	The line you dialed is currently busy. You can select Retry Fax to retry it now, or attempt your fax again later.
SFAPI_CE_003	Unfortunately, delivery was already completed. You can no longer cancel.	The fax line you tried to call answered but there was an unexpected response. It could be a voice, a non-fax tone, silence, or even a call transfer upon answer. Check that you have the correct number.
SFAPI_CE_004	General error. Try again or contact HP support.	The fax line you tried to call answered but there was an unexpected response. It could be a voice, a non-fax tone, silence, or even a call transfer upon answer. Check that you have the correct number.
SFAPI_CE_005	Unfortunately, the receiving fax machine seems to be incompatible.	The fax line you tried to call did not answer. Mobile Fax attempted to send the fax three times over the past few minutes without success. Please make sure the number is correct and the recipient is ready to receive a fax call.
SFAPI_CE_006	There is a problem with your image.	There might be an issue with the receiving fax machine, but it's more likely that someone picked up their voice phone, heard fax tones, and hung up. Please make sure the number is correct and the recipient is ready to receive a fax call.
SFAPI_CE_007	There is a problem with your image.	This usually means that there was an operator intercept on the call. For example, the number could be invalid or an error condition occurred on the network. Try voice calling the number to listen to the problem.
SFAPI_CE_008	Unfortunately, the receiving fax machine seems to be incompatible.	There might be an issue with the receiving fax machine, but it's more likely that someone picked up their voice phone, heard fax tones, and hung up. Please make sure the number is correct and the recipient is ready to receive a fax call.
SFAPI_CE_009	Unfortunately, the receiving fax machine seems to be incompatible.	There was an error communicating with the receiving side. Please try again in a few minutes.
SFAPI_CE_010	Unfortunately, the receiving fax machine seems to be incompatible.	The fax was canceled because it timed out. Please try again in a few minutes.
SFAPI_CE_011	Unfortunately, the receiving fax machine seems to be incompatible.	You cannot cancel the fax because it was already delivered.
SFAPI_CE_012	Unfortunately, the receiving fax machine seems to be incompatible.	The call was disconnected after the permitted number of tries.
SFAPI_CE_013	Unfortunately, the receiving fax machine seems to be incompatible.	SoftFAX's call was answered, but the two systems can't find a mutually agreed upon speed to send the fax. It is possible that there is a Voice over IP (VoIP) line that is having an issue negotiating the fax. Check with your service provider to ensure that your VoIP line is configured appropriately.

SFAPI_CE_014	Unfortunately, the receiving fax machine seems to be incompatible.	The receiving fax machine cannot receive the resolution of the image sent.
SFAPI_CE_015	Unfortunately, the receiving fax machine seems to be incompatible.	The receiving fax machine cannot receive the size of the image sent.
SFAPI_CE_016	Unfortunately, the receiving fax machine seems to be incompatible.	This error indicates a general incompatibility with the receiving fax machine.
SFAPI_CE_017	Unfortunately, the receiving fax machine seems to be incompatible.	This error indicates a general incompatibility with the receiving fax machine.
SFAPI_CE_018	General error. Try again or contact HP support.	There were insufficient funds to send fax.
SFAPI_CE_019	Unfortunately, the receiving fax machine seems to be incompatible.	This error indicates a general incompatibility with the receiving fax machine.
SFAPI_CE_020	Fax cancelled by user.	This error indicates a general incompatibility with the receiving fax machine.
SFAPI_CE_021	There was no answer after retry. Call the recipient to make sure they are ready to receive a fax.	This indicates a general protocol error with the receiving fax machine .
SFAPI_CE_022	Unfortunately, the receiving fax machine hung up before we could send the entire fax. Would you like to try again?	This indicates a general protocol error with the receiving fax machine .
SFAPI_CE_023	Unfortunately, the receiving fax machine hung up before we could send the entire fax. Would you like to try again?	This indicates a general protocol error with the receiving fax machine .
SFAPI_CE_024	We are currently experiencing connection issues. Please try again in a few minutes.	This indicates a general protocol error with the receiving fax machine .
SFAPI_CE_025	We are currently experiencing connection issues. Please try again in a few minutes.	This indicates a general protocol error with the receiving fax machine .
SFAPI_CE_026	We are currently experiencing connection issues. Please try again in a few minutes.	This indicates a general protocol error with the receiving fax machine .
SFAPI_CE_027	We are currently experiencing connection issues. Please try again in a few minutes.	It appears that the receiving fax machine is incompatible, as SoftFAX received an invalid response after sending the fax.
SFAPI_CE_028	We are currently experiencing connection issues. Please try again in a few minutes.	The fax was manually canceled by the fax sender.
SFAPI_CE_029	We are currently experiencing connection issues. Please try again in a few minutes.	There was no answer in the receiving side. The receiving fax machine may be out of paper. SoftFAX will retry the fax two more times.
SFAPI_CE_030	We are currently experiencing connection issues. Please try again in a few minutes.	SoftFAX sent a page but the receiving machine hung up without confirming it had received the page. If this was a one page fax, it probably printed out but you might need to call the recipient to be sure.
SFAPI_CE_031	Unfortunately, the attached file was deleted in the system before we could fax it! Please try again.	SoftFAX sent a page but the receiving machine hung up without confirming it had received the page. If this was a one page fax, it probably printed out but you might need to call the recipient to be sure.
SFAPI_CE_032	Unfortunately, the receiving fax machine seems to be incompatible.	SoftFax connected to a fax machine and began to send the fax, but the receiving fax machine didn't respond appropriately. Please try again.

SFAPI_CE_033	Unfortunately, the receiving fax machine seems to be incompatible.	SoftFAX's call was answered, but the two systems can't find a mutually agreed upon speed to send the fax. It is possible that there is a Voice over IP (VoIP) line that is having an issue negotiating the fax. Check with your service provider to ensure that your VoIP line is configured appropriately.
SFAPI_CE_034	Unfortunately, the receiving fax machine hung up before we could send the entire fax. Would you like to try again?	SoftFAX's call was answered, but the two systems can't find a mutually agreed upon speed to send the fax. It is possible that there is a Voice over IP (VoIP) line that is having an issue negotiating the fax. Check with your service provider to ensure that your VoIP line is configured appropriately.
SFAPI_CE_035	Unfortunately, the receiving fax machine seems to be incompatible.	This was a general telephony error, please try again in a few minutes.
SFAPI_CE_036	We are currently experiencing connection issues. Please try again in a few minutes.	This was a general telephony error, please try again in a few minutes.
SFAPI_CE_037	Unfortunately, the receiving fax machine seems to be incompatible.	This was a general telephony error, please try again in a few minutes.
SFAPI_CE_038	We are currently experiencing connection issues. Please try again in a few minutes.	This was a general telephony error, please try again in a few minutes.
SFAPI_CE_039	Unfortunately, the receiving fax machine seems to be incompatible.	The file you are trying to fax has been deleted from the system, or is not accessible.
SFAPI_CE_040	Unfortunately, the receiving fax machine seems to be incompatible.	SoftFAX's call was answered, but the two systems can't find a mutually agreed upon speed to send the fax. It is possible that there is a Voice over IP (VoIP) line that is having an issue negotiating the fax. Check with your service provider to ensure that your VoIP line is configured appropriately.
SFAPI_CE_041	Unfortunately, the receiving fax machine hung up before we could send the entire fax. Would you like to try again?	The receiving fax machine failed to respond.
SFAPI_CE_042	Unfortunately, the receiving fax machine seems to be incompatible.	The receiving fax machine hung up before receiving the fax.
SFAPI_CE_043	Unfortunately, the receiving fax machine seems to be incompatible.	There was an error communicating with the receiving fax machine.
